## YANKEE GIRL'S STAKE. WRIGHT AND BEHR WIN.

COURT DRESS DEFEATED.

Dr. Gardner, Unsupported by His

Owners, Wins the Handicap. James R. Keene's Court Dress, the odds-on farite in the twenty-first running of the Mermald Stakes, for three-year-old fillies, at one talle and a furlong, at Sheepshead Bay, yesterday, was soundly beaten under an fil judged ride by Miller, Dress, after making the pace under a choking pull, stopped when Miller called on her in the stretch, leaving Yankee Girl and Killaloe to comon and fight it out through the last sixteenth stride for stride. Yankee Girl, under one of Findtke's most vigorous finishes, won by the action

Yankes Cirl best Court Dress in the Ladies Earkes at Belmont Park, when the latter, making her first appearance, ran as if short. This theory was borne out when Court Dress beat Yanke Girl easily in the Gazelle Stakes at Gravesend

Girl easily in the Gazelle Sinkes at Gravesend, when they not at even weights. In the Mermald Stakes yesterday Yankse Girl was called on to concede five pounds to Court Dress, and as Harry Payne Whitney's Killalee had run a bad race in her celly start a few days are the form players accepted the short price against the Keene filly with confidence. Yankse Girl examed at 5 to 5, but drifted back to 3 to 1, at which price her owner is said to have sent in a good sized commission. Killalee was backed down a point from 6 by a wise few, who seemed to anticipate decided improvement over her first start.

Court Dress had all her speed, and went right to the front at the start, but Miller, following instructions, no doubt, took her under double wraps, so that she was fighting for her head up the backstretch and around the turn. It looked as if she would come away easily when Miller let her down, but, to the consternation of her followers, she stopped instead, and Yankse Girl and Killalee swept past her at the last furlong pole. It was a stirring drive to the wire between the two last named, and Raddke, on the outside, with his whiphand clear, outrode Mountain in the cleaing strides. Frenk Farrell and "Big Tim" Sullivan missed a charce for a "killing" when they allowed Dr. Gardiner to go to the post unbacked in the handcap at one and three-sixteenths miles. Gardiner to go to the post unbacked in the handicap at one and three-sixteenths miles. In the absence of any stable support Dr. Gardiner's price went back from 2 to 1 to 4 to 1, Running Water, an added starier, and Ironsides getting the bulk of the play. Dr. Gardiner made all the running, however, and won ridden out by a length, with Ironsides second and Running Water nowhere. Sack Martin kept Dr. Gardiner ten or twelve feet out from the rail, where the going was slightly cuppy, all the way, and under the circumstances the time was fairly fast, and Dr. Gardiner appears to be himself again. e himself again. few days ago Dr. Gardiner was plunged on

When Bridge Whist was offered at auction after winning the sixth race H. T. Griffin, whose horse Herble ran second, bid the colt up \$1.00 over his entered selling price of \$900 and secured him for \$2,00. As Griffin got one-half the bid-up money for running second with Herble, he secured Bridge Whist for \$1.450.

Dr. Gardiner came out of the fourth race with

Whist for \$1.490.

Dr. Gardiner came out of the fourth race with
a cut just above his right ankle, and it was feared
for a time that it might prove serious. His trainer
said later, however, that it was not a deep one and that he did not think it would be necessary to throw the horse out of training.

Beat Gore and Barrett in All-England Lawn Tennis Doubles

London, July 1.-Beals C. Wright and Karl H. Behr, the American challengers for the Davis cup, defeated A. W. Gere and Roper Earrett in the All-England doubles championship tournament at Wimbledon to-day, after five hard fought sets, by a score of S-10, 4-6, 6-1, 6-4,

The American pair lost the first two sets, but rallied in a remarkable manner. Wright played at the top of his game, and completely baffled his opponents in the third and fifth sets. There was particular interest in the match, as Gore and Barrett may represent England in the Davis

In the women's open championship singles, Miss May Sutton beat Miss Meyer 6-0, 6-3 D. P. Rhodes, of Boston, and Miss M. Brown, beat C. S. Simond and Miss M. Boadle in the mixed doubles, at 4-6, 6-4, 6-3.

### Middle States Lawn Tennis Championship Begins-Other Matches.

Play began in the singles of the Middle States lawn tennis championship tournament yesterday on the courts of the Orange Lawn Tennis Club, at

the courts of the Orange Lawn Tennis Club, at Mountain Station, N. J. The winner v il seek to wrest the title from William A. Larnea.

The class of the entry list held its own during the, first day, with the exception of Edwin P. Larned, who was defeated by N. W. Nies, of Bosten, in straight sets, at 6-1, 6-2. Raymond D. Little, the internationalist, proved to be at the top of his game. His drives for the lines and his volleying shots came off with a snap that carried him through two contests without apparent effort. In the first he defeated Herbert L. Westfall, despite the plucky play of the latter, at 6-2, 6-1, later defeating F. W. Cole, of Pennsylvania, by the score 6-4, 6-3.

Dean Mathey, the youngster who won the removement interscholastic, was in rare form. He was fast at the net and defeated William Watson, of Orange, 6-2, 6-2. Charles M. Bull, ir., the Crescent Athletic Chub champion, won his first match easily against G. L. Wyeth. The draw for the other events will be made to-day, and they will be started to-morrow. The summary follows:

Miss Anna Martin, of Park Hill, and Reginald Perry, of University Heights, wen the mixed doubles final vesterday in the University Heights tournament. They defeated Mrs. H. H. Burdick and R. T. Ennis, of Park Hill, in a fast match by the score 6-4-9-7, 4-6, 6-3. The final round of the men's doubles was won by William R. Cragin, jr., and F. A. Ferris, of the Elizabeth Town and Country Club, who defeated Roy Ritchie and M. E. Leo, of the University Heights Club, in the final by 6-4-4-6, 7-5, 6-4.

George F. Touchard, of the Hamilton Grange Lawn Tennis Club, won the cup singles yesterday on the courts of the Hariem Lawn Tennis Club. The victory of the young expert from California was not according to the result that had been slated, especially as Touchard defeated Dr. William Rosenbaum in three straight sets by the score 6-3, 6-4, 6-3. The final total of points indicated the closeness of the competition, as Touchard totalled 26 points and Dr. Rosenbaum St.

Experts of the Hamilton Grange Lawn Tennis lub began their annual championship tournament in the club courts yesterday. Following the Eng-sh custom, George P. Parkes, the winner of the hampionship title last year, is playing through the ournament. The summgry follows:

## TROTTING AND PACING.

### Fast Time and Good Sport at the Empire City Track.

The New York Driving Club's postponed trotting neeting at the Empire City track, near Yonkers, resterday resulted in about the best sport seen or any trotting course in the country thus far this eason. Miles under 2:20 wers reeled off in six races out of nine, and the fastest heats of the season were paced by J. H. Camphell's black mare Susle G. in winning in the free-for-all class. She was timed the second quarter of the second

mare Susie G. in winning in the free-for-all class. She was timed the second quarter of the second heat in 0:31-a 2:04 clip—and moved the middle half of the mile in 1:06.

The defeat of Charles C. Lloyd's new trotter, Joe Jap, was one of the incidents of the day's sport. He won easily in 2:15½ at his first start, a week ago, and was set dewn as a prospective 2:10 trotter. Murcus Bruckheimers bay mare Larable Bose took his measure yesterday in 2:15½ and 2:17. The finishes were close and exciting. In both the first and second heats a tire on Mr. Lloyd's wagon ran off the rim, somewhat handleapping his horse. Perhaps the greatest surprise of the day was the defeat of W. C. Floyd-Jones's trotting team, Governor Holt and Deputize, by A. H. Cosden's new pair, George M. and Crown Prince. Dr. L. J. Kiernan, of Haverstraw, who acted as starter, sent the Cosden pair away five or six lengths in front in the first heat, and thus virtually gave them the victory. But with an even start in the second heat they showed that they could outtrot the other team. It was the first time Mr. Cosden's pair ever started in a race. The summaries:

After gaining a lead that it did not seem possible the Yankees could overcome, the visitors began to play like schoolboys. The Yankees, taking advantage of every error and hitting the ball hard at the same time, scored six runs in the fifth inning, and the same number in the seventh, when they were only one

run behind. Washington drew away again, however, and in the ninth inning had a lead of three runs. The Yankees then went after the same, and before the fun was over had scored four runs and pulled out a victory, to the wild delight of the

Singles by Williams, Conroy, Hoffman and did the trick.

Hogg, who pitched for the home team, made the first home run hit of his baseball career in the second inning. This game was also marked by foolish misplays on both sides.

In the first inning the Yankees set the fans at ease by pounding out three runs. In the fifth inning four more runs gave them a lead that the visitors were unable to overcome. Keeler forced Hoffman and got to third on a single by Elberfeld. Chase's fly fell sufe and Keeler got home. On Conroy's out Elberfeld tallied. Willlams beat out a bunt and on a throw to catch Williams off first Chase crossed the plate, while Williams got away around to third in the mixup, and came in on a single by Moriarity. The

the Giants, while Sparks acted in the same ca-pacity for the Phillies. Two of the three hits made off McGinnity's delivery came in the seventh inning, which, combined with Sparks being hit by a pitched ball and Strang's fumble, gave the Quakers two runs and the game. Hempstead, Long Island, July 1 (Special).-The Meadow Brook polo team defeated the Bryn Mawr our in a fast, well played game for the Westbury challenge cup here to-day by a score of 13 goals

to 3.

The teams lined up without handicap, and a good sized crowd was in attendance. The game was marked by a number of accidents which furnished some excitement. In the first period Brown and Montague were both riding hard on the ball, when Brown's pony cut across sharply, throwing Montague in a heap. He was not injured, however, and was soon back in the saddle. Later Montague had his leg hurt by being hit with the ball. Harry Payne Whitney also came a cropper in the first period, but played the game out.

The home team scored two goals to one for Bryn Mawr in the first period and added four more in each of the second and third periods. The Bryn Mawr team was on the defensive most of the time. In the closing period each team scored two goals. The line-up follows:

## HOPE FOR AUTO RACE. | READY FOR GRAND PRIX

COURSE MAY BE HEAVY.

### The Fiat Team Is Favorite for Big Auto Race in France.

Dieppe, France, July 1 .- The drivers have had their last practice spins and everything is now ready for the Grand Prix automobile race tomorrow. Rain since Saturday has made the roadway slippery, and although the weather cleared this afternoon it is feared that the condition of the course will necessitate such caution in negotiating the sharp turns, especially the descent from the railroad bridge at Ancourt, where Albert Clement was killed on May 17, that all chance of breaking the world's speed record

The betting is lively, the Flat trio being the favorites at 2 to 1, with the Renault car at 3 to 1, the Panhard-Braier at 5 to 1 and the others strung out to as high as 50 to 1.

W. C. Christie's American machine has attracted much attention, but it is regarded as being something of a freak. Its wonderful speed is acknowledged, but the experts doubt if the constructor will be able to keep it under control. Elliott F. Shepard is considered to be the most reckless of the drivers participating.

The entire automobile world seems to be gath-

ering here to witness the struggle. The promi-nent Americans present include George J. Gould, Howard K. Burras, Ormand L. Johnston and Jefferson De Mont Thompson, chairman of the racing board of the American Automobile Association. The last named thinks the course is superb. He says that if the United States gov-ernment would furnish troops, as the French government does, to police the course the Van-derbilt Cup race would be assured this fall.

Mr. Thompson added that his examination of the Brooklands track, at Weybridge, England. which already is giving way, confirms the wis-dom of the decision of the Long Island Parkway to use broken stone instead of gravel as the base
